Continuation of Substance of Interview including description of the general nature of what was discussed: Applicants amended claims 33, 34, 47 and 63 and presented themas independent claims based on the allowable subject matter indicated in the final rejection (12-1-06). However, examiner informed counsel that the independent claims no include all the non-elected species of the first active agent and hence are not allowable. Counsel authorized examiner to cancel the non-elected species of the first active agent by examiner's amendment. Examiner further directed the attention of counsel to the trademark names present in claim 46 and in the instant specification (Glucopon). Counsel authorized examiner to cancel claim 46 and further capitalize the word glucopon in the specification.
